

## NEWBERRY TRIAL OPENS TODAY AT GRAND RAPIDS

### Process of Selecting Jury First Thing on Program

### CASE WILL LAST SEVERAL WEEKS

GRAND RAPIDS, Mich., Jan. 26.—The prologue of Michigan's big political drama, the trial of Senator Truman H. Newberry and more than six score Michigan politicians on charges of fraud, conspiracy and corruption, was delivered here today. Tomorrow the curtain is to rise on the first act, the process of selecting a jury.

Indications tonight were that little time would be lost in preliminaries. The defense thru Martin W. Littleton of New York and George E. Nichols, of Iowa, Mich., let it be known that a challenge to the array of the jury will be offered. No other motion impends it was said, although there is a possibility that a postponement of a few days may be sought because of the illness in Detroit of James O. Murfin, associated with Messrs. Littleton and Nichols as chief counsel for the defendants.

Mr. Littleton informed Judge Clarence W. Sessions of the federal district court today that such a move might be made but he was promptly informed that it would have to be based on strong grounds as "any delay would be highly embarrassing to the men summoned for jury duty."

The challenge to the array probably will be based upon two principal arguments, first that it was improperly drawn in that county clerks were asked to select the names of eligible taxpayers and secondly that Judge Sessions excused more than half of the 356 men summoned, on the strength of replies they made to a questionnaire mailed to them by the court.

The court's possible attitude on this argument was indicated this afternoon when he staged the first formal appearance of the trial actors and instructed the prospective jurors as to what they might expect and how they should conduct themselves.

He said questionnaire was sent them in an effort to determine the competency of taxpayers to sit as jurors and that "those who are here appeared from their answers to the questionnaire to be well qualified."

"The greater number of those summoned were excused because of ill health or because of legal disqualifications," said Judge Sessions. "Some had moved out of the district, others were past the age limit prescribed by law, others were exempted because of their occupation and still others because of business or family affairs which demanded their presence at home."

The setting today afforded the first test of the arrangements for trial. There were 135 prospective jurors in the room, which approximates the number of defendants and it was noticeable that the trial attorneys, special defense attorneys attend court, there will be practically no room for spectators.

Senator Newberry, his brother, John S. Newberry; Hannibal A. Hopkins, of Sinclair, and other leading figures in the trial, arrived tonight.

None of them had any statements to make but all were full of inquiries as to the course of events and conferences between defendants were numerous in every hotel lobby.

All told 124 men will face the court tomorrow. Of the 135 indicted in November, one James W. Dalley of Muskegon, has not been served; nine have pleaded guilty of no contest and one, Elmer E. White, of Traverse City, Ill. at home with influenza.

Judge Sessions indicated that the case would be continued, so far as White is concerned and that he would be given a separate trial when he regains his health.

The list of those pleading nolo contendere was increased today when A. K. Moore, a printer of this city, was allowed to change his plea of guilty on four of the six counts and plead "no contest" on all.

Shortly afterward Neil R. Walsh, an Owasco attorney who had stood mute when arraigned entered the same kind of a plea.

Only 23 of the defendants have pleas of not guilty after their names.

The other 101 including practically all the principal defendants, are recorded as "mute."

Besides Moore and Walsh, the nolo plea has been entered by Peter Grady, a laborer of Grand Rapids; Earl J. Fairbanks, a former state senator of Luther, Mich.; August Field, a hotel owner of Manistee; Karl B. Matthews, prosecuting attorney at Ludington; Hugh Maddigan, a factory hand at Flint; J. Scott Hunter of Detroit and Rev. John B. Hewitt, pastor of a Roman Catholic parish at Flint.

While attorneys for both sides were confident that there would

## CHURCHES GAIN THREE MILLION MEMBERS

NEW YORK, Jan. 26.—America's churches have gained nearly three million members since the last church census was taken in 1916, but there has been a marked decrease in the number of Sunday schools and Sunday school pupils, according to "the year book of the churches," which will be issued tomorrow by the federal council of the Churches of Christ in America. The total church membership has increased 2,779,667 the announcement says with an increase of 3,519 ministers and 5,350 church organizations. The total number of churches is now 233,824. There are 195,513 ministers, priests and rabbis, with 44,709,521 members of their various organizations. The decline in Sunday school membership is estimated at more than 3,500,000.

The total Protestant church membership was given as 25,980,466 and the Roman Catholic figures as 17,548,324. It is explained that the Protestant figures include only adult communicant members of a family, while the Roman Catholic statistics represent the entire family.

An estimate of members of Jewish Synagogues is 350,000 and the two Mormon bodies report a membership of 494,388.

The largest Protestant body reporting was the Methodist Episcopal church with 4,175,562 members and the smallest Primitive Friends with fifty members and two ministers.

**BOLSHEVIKI CAPTURE  
RED CROSS WORKERS**

Party of Eleven Americans Taken in Siberia—Details of Capture Are Lacking.

Vladivostok, Jan. 26.—[By the Associated Press.]—A list of American Red Cross workers captured by the Bolsheviki at Kluksnaskaya Station was received here today. It is as follows:

Dr. W. H. Kingston, Oklahoma; Dr. J. N. Medill, Jarosa, Colo.; Pharmacist W. O. Lowe, No. 262 West Seventy Seventh street, New York City, and E. H. Charette, Stockton, Calif.

News of the capture of the Red Cross men and of seven American railway engineers was received in consular offices here today. These did not give the date of the capture nor did they make it clear whether the Americans had been captured by supporters of a local uprising against Admiral Kolchak or by Bolsheviki advancing from Omsk.

The advices made no mention of any women Red Cross workers. However, American Consul Hansen and twenty others, Red Cross workers and American members of the railway staff are declared to have escaped and to have reached Irkutsk. The railway men who included Colonel Hunt were members of the Stevens commission sent from America to aid in rehabilitating the trans-Siberian railway. Prior to today's advices no word has been received of Americans near Kluksnaskaya which is a station on the trans-Siberian line near Tashet for nearly a month.

The American consular office and Red Cross offices here are taking steps to ascertain exactly what forces made the captures and to open negotiations for the Americans' release.

All American women and many Red Cross workers are to be evacuated from Siberia on the first available transport, it is announced by Red Cross headquarters here.

Three trains bringing Red Cross workers from outlying points are on their way here, the first being due to arrive tomorrow.

Included in the three hundred persons aboard the trains are one hundred women.

Volunteers are being recruited among the male Red Cross personnel here to remain at Vladivostok and supervise distribution among the civilian refugees of about three million dollars worth of supplies. They also are to care for about nine hundred children forwarded from European Russia by their parents or by peasant cooperative societies on account of the scarcity of food there. The Americans have cared for them ever since they arrived many months ago.

**FUTURE OF SEDITION  
BILL UNCERTAIN**

Washington, Jan. 26.—House leaders remained uncertain today as to the future of anti-sedition legislation which has been temporarily blocked by the rules committee's refusal to give it preference. Hearings before the committee are to be resumed tomorrow. Meantime Republican leaders will meet to determine whether anti-sedition bill will be reported to the house.

**NEW FRENCH  
SUPREME WAR COUNCIL**

Paris, Jan. 26.—Marshalls Foch, Joffre and Petain and Major General Buat, chief of staff, make up the new French supreme war council, according to announcement. Marshall Petain will be vice president and commander in chief of French armies in time of war.

**SUPREME COURT  
WILL RECESS**

Washington, Jan. 26.—The supreme court will recess next Monday until March 1. Chief Justice White announced today.

## MARTENS TELLS SENATORS ABOUT SOVIET RUSSIA

### Self Styled Ambassador Goes Over Whole Situation

### HAVE PLENTY OF MONEY

WASHINGTON, Jan. 26.—Soviet Russia transformed by assurance of its leadership at home, is no longer fired by the zeal which led its agents and emissaries during the first months of its existence to preach world wide revolution, Ludwig K. A. K. Martens, who calls himself the ambassador from that country to the United States, testified today before a senate investigating committee. The soviet republic at present, Martens said, "does not care what kind of government other people have," and has indulged in general revolutionary propaganda only "when it was on the defensive and had pressed by nations which had armies in the field against it."

Today because it "is strong enough to fight the world," it has abandoned, he added the principles first promulgated to the effect that it can be maintained only by the destruction of other governments everywhere which recognize property rights and capitalist organizations. These statements, Martens under oath, made in response to questions from Senator Moses, Republican, New Hampshire, chairman of the investigating committee, and Senator Borah, Idaho. Plainly incredulous, Senator Borah shot him query after query, repeating various reported manifestos of the federated soviet Russian republic, which called on revolutionary elements everywhere to organize workingmen in revolt against all organized government and demanding to know whether or not every soviet supporter was not found to work for the destruction of all governments recognizing capital. Martens met him with quick denials.

Particularly Martens denied all connection with the revolutionary movements in the United States admitting some knowledge of them. He said they were "purely American, arising out of American conditions," and as soviet agents were devoted to explaining the soviet system to the end that Americans would allow its recognition as the established government in Russia.

Martens also told the committee that the soviet government had \$450,000,000 or \$500,000,000 in gold to spend in foreign trade, stating briefly that there was "little or no gold in the hands of private banks or individuals," and that about 1,000 American concerns were ready to sell it goods. Much of Martens testimony took the form of a written statement, tho he was interrupted constantly in its reading by the sharply put questions of his senatorial auditors.

The witness said he was spending \$2,500 a week on the maintenance of an organization of some 35 employees.

He gave the committee names and addresses of all of them, including American clerks and stenographers and press agents.

The money expended came from Russia, he testified. Besides publishing a weekly magazine, "Soviet Russia," the soviet bureau, he said, maintained an educational department designed to help Russians get technical education in the United States which would be useful to the soviet government when these persons returned and went into industry, a technical department to employ experts in assembling data for use in the state operated industries, a legal department to advise him and other Russians and a medical department, also designed to get Russia competent practitioners and surgeons.

Martens incidentally told of his endeavors to secure title to property of Russian consular agents and diplomatic representatives already in the country but said he had not pressed the matter in the courts because the state department had not recognized him.

**OFFERS REWARD FOR  
RETURN OF POWHATAN**

Halifax, N. S., Jan. 26.—The United States shipping department offered a reward of \$150,000 to any vessel bringing in the disabled Transport Powhatan, last reported adrift in a blinding snow storm 100 miles from this port.

Eight vessels today were either standing by or going to her assistance.

**CHICAGO "FLU" SITUATION**

Chicago, Jan. 26.—Deaths from influenza and pneumonia for the twenty four hour period ending at 5 o'clock tonight tallied 156. Influenza caused eighty-six deaths and pneumonia eighty. During the same period 1,618 new cases of influenza were reported and 467 new cases of pneumonia.

## SEC. HOUSTON WILL HEAD TREASURY DEPARTMENT

WASHINGTON, Jan. 26.—(By The Associated Press.)—Unless plans suddenly are changed, President Wilson is expected to transfer Secretary Houston from the department of agriculture to the treasury department to succeed Carter Glass who is about to take his seat as senator from Virginia.

While all official information still was being withheld today, it was understood that the nomination of Mr. Houston had been prepared and will probably be presented to the senate within a day or two. The move would be the first transfer of a cabinet officer from one department to another during President Wilson's administration.

The successor to Mr. Houston as secretary of agriculture has not been announced, but it is believed he will be one of the men identified with the work of that department.

Before entering the cabinet, Mr. Houston was a college professor at St. Louis and it is said that as secretary of agriculture he has been close on the inside circle of the administration.

Up until today the name of Assistant Secretary Leffingwell was foremost among those being mentioned to succeed Secretary Glass.

## WORLD'S DEBT GIVEN AT \$300 BILLION

NEW YORK, Jan. 26.—The world's debt was estimated by the National City Bank today at \$300,000,000,000 compared with \$10,000,000,000 in 1914. Paper currency throughout the world increased 600 per cent since 1914 while the gold reserve behind it increased only 40 per cent according to statistics compiled by the bank. The face value of paper currency of 30 principal countries, which totalled \$7,250,000,000 in 1914 had increased to \$40,000,000,000 at the time of the armistice exclusive of \$34,000,000,000 issued by the Russian soviet government.

Germany, Austria-Hungary, Turkey and Bulgaria show an advance in note circulation from \$1,200,000,000 in 1914 to \$12,300,000,000 at the close of the war. The gold reserve falling from \$600,000,000 in 1914 to \$227,000,000 in 1919.

In the eight principal countries of the allies, paper notes increased from \$1,150,000,000 in 1914 to \$2,420,000,000 in 1919, while the gold reserve increased from \$516,000,000 to \$1,450,000,000.

**TRIAL OF CHICAGO  
RADICALS APRIL 5**

Chicago, Jan. 26.—Trial of the alleged radicals indicted last week by a special grand jury investigating red propaganda will be started April 5 it was agreed tonight by Assistant State's Attorney Marvin E. Barnhart and Lloyd Heth and attorneys representing members of the Communist Labor Party of America, fourteen of whom were arraigned this afternoon before Judge Robert E. Crowe.

Pleas of not guilty to the charge of conspiracy and to advocating the overthrow of the government by force were entered by all.

William Gross Lloyd, millionaire Scribner refused to plead to the indictment at this time. Counsel for Lloyd made a motion to quash the indictments pending against him.

## BEGIN TRIAL OF ELEVEN I. W. W.

MONTENSO, Wash., Jan. 26.—The trial of eleven alleged members of the I. W. W. charged with murder in connection with the armistice day killings at Centralia, Wash., began here today.

The court overruled for a change of venue and also a motion for a severance of trials as affecting Loren Roberts one of the defendants. It was maintained by defense counsel that Roberts had made statements prejudicial to other defendants.

Examination of prospective jurors began late in the day. Four hundred and sixty seven citizens of Grays Harbor county have been summoned for examination.

## 16-YEAR OLD GIRL ON TRIAL FOR MURDER

ST. LOUIS, Jan. 26.—The trial of Ursula Broderick, 16 years old of Pine Lawn, St. Louis, county, for the murder of her step-father, Joseph Woodcock on April 11, last, began today in juvenile court here. The girl also killed her father, Thomas P. Broderick, on October 16, 1916, but was exonerated by a coroner's jury on her testimony that she fired in defense of her mother.

The case was transferred from the criminal to the juvenile court on the showing that the girl is less than 17 years old, the criminal court lacking jurisdiction in cases in which the accused is under that age.

## ERZBERGER, GERMAN MINISTER SHOT

Berlin, Jan. 26.—Matthias Erzberger, the minister of finance, was wounded by a shot fired at him today.

Herr Erzberger, was shot as he was leaving the criminal courts building after a hearing in the Heffelfrich libel suit. Only one shot struck the minister.

When arrested Von Hirschfeld declared that he considered Erzberger dangerous to the empire. The police authorities began an examination of the prisoner at four o'clock this afternoon and interrogated him for several hours.

**POINCARÉ WILL TAKE  
UP RECONSTRUCTION WORK**

Paris, Jan. 26.—Havias-Raymond Poincaré, who will retire from the presidency of the republic on February 17, desires to devote himself entirely to the reconstruction of the department of Meuse which was a part of the battle zone, and for this reason will not accept a position in the government for three years, according to the E'clair.

## ALL HOPES FOR RATIFICATION OF PACT COLLAPSE

### Lodge Declares His Reservation Stand

### SENT BACK TO SENATE FLOOR

WASHINGTON, Jan. 26.—The whole question of peace treaty ratification was flung back to the floor of the senate with the virtual collapse today of the bi-partisan conference. The senate came with amazing swiftness after Senator Lodge of Massachusetts, Republican leader had informed Democrats, led by Senator Hitchcock of Nebraska, that there could be no change in the reservations respecting the Monroe Doctrine and the much discussed Article Ten.

In the face of this, the Democrats walked out for a private conference agreeing meanwhile to make a reply to Senator Lodge early tomorrow. First news of the break was given by Senator Hitchcock in a statement which broadly intimated that failure of Republicans to give ground was due to the threatened revolt of Democrats. Senate leaders including many ardently seeking an end to the long protracted treaty debate, frankly admitted tonight that they could see no hope of agreement. This meant, they said, that the question would be fought out on the floor, beginning probably tomorrow. Senator Hitchcock declined to speculate on the possibility of so early a renewal of hostilities, but most Democrats declared nothing was to be gained by further secret conferences. The breakup was viewed by the Democrats as explained by Senator Hitchcock in the following statement:

"When the conference assembled Senator Lodge advised the senators present that he had been called into a meeting by certain republican senators and for that reason had not been able to attend the last conference. Friday he regretted to say that he found it impossible to resume the conference for a compromise except upon the understanding that no change shall be made in the reservation on Article Ten or on the Monroe doctrine. The democratic members retired for a private conference and will make their reply to Senator Lodge Tuesday morning at a meeting at 10:30.

"The conference up to the time its meeting was interrupted had tentatively agreed upon the reservations except that relating to Article Ten, the Monroe doctrine and one or two minor matters and an agreement was apparently also consummated on Article Ten when adjournment suddenly came, followed by the intervention of the irreconcilable republicans."

**Senator Lodge's Statement.**

Senator Lodge at first declined to comment on the meeting, saying there was nothing to be given out at this time. After being informed of the Hitchcock statement however, Senator Lodge said:

"I have only this to say about the committee meeting this morning. That I said to the committee that there is a very strong feeling among many senators against any change in the Lodge reservations, either in words or in substance and that I thought it only fair to say now what I have already said in public, that there can be no compromise of principle and that it would be impossible, to secure, in my judgment, two-thirds of the senate, if any change was attempted in such articles as two and five, those relating to Article X and the Monroe doctrine. I said this was a mere statement of the situation."

Both Democrats and Republicans professed to see quite a difference in the situation as expressed by the two leaders. They analyzed the statements and commented on them, but the comment, almost without exception was along party lines or treaty division lines.

"It looks as if the jig's up," declared McNary, Republican of Oregon, a leader of the mild reservation group and this seemed to hit the nail on the head, in the opinion of most senators.

## GOVERNMENT WORKERS GIVEN INCREASE

NEW YORK, Jan. 26.—A wage increase of 15 per cent was awarded today to garment workers by a commission appointed by Governor Smith to adjust labor troubles which have hampered the industry in this city during the last year. The commission makes as a condition of its award that it shall not cause the prices of clothing to be increased but shall be met by economy on the part of the manufacturers and increased production by the workers.

Wages have ranged from \$40 to \$75 per week.

## CAR SHORTAGE FORCES FLOUR MILLS TO CLOSE

MINNEAPOLIS, Jan. 26.—Because of an unprecedented shortage of cars for flour shipments, Minneapolis mills today shut down their milling activities, less than fifty per cent of normal. Milling will not be resumed until sufficient cars are in sight to take care of the needs of that city and guarantee them against piling up of surplus supplies there, Minneapolis millers said.

## FAVOR UNION OF AUSTRIA AND GERMANY

Vienna, Austria, Jan. 25.—Under the rallying call of starvation or fusion, a great meeting in support of a union of Austria with Germany was held in the city hall this afternoon with overflow meetings on the terraces. The speeches were generally temperate in tone, sounding the note of despair over Austria's future, but here and there the Renner government was attacked particularly with regard to the rapprochement with the Czechs.

## AMERICANIZATION BILL PASSED BY SENATE

WASHINGTON, Jan. 26.—The senate by a vote of 36 to 14 today passed the Kenyon Americanization bill which would require all residents of the United States of 16 to 21 years of age not mentally or physically disqualified and all alien residents between the ages of 16 and 45 who cannot speak read or write English, to attend school not less than 200 hours a year.

Administration of the bill's provisions was placed in the hands of Secretary of the Interior working thru the bureau of education. The measure requires that the sum appropriated be apportioned among the states in ratio to the number of resident illiterates providing, however, that the state appropriate an equal sum for the same purpose. Not less than \$5,000 would be allotted to one state in any year. Efforts to transfer the administration of the measure to the secretary of labor were defeated just before the final vote was taken. The measure had been before the senate for about a week and during debate several senators expressed apprehension that the variance in the age limits fixed for Americans and for alien illiterates would conflict with existing treaties.

## UNITED STATES WILL RECOGNIZE ARMENIA

Decision Reached at Session of the Council of Ambassadors With Wallace U. S. Representative.

Paris, Jan. 26.—At the afternoon session of the council of ambassadors, which takes the place of the supreme council, the American ambassador, Hugh C. Wallace, announced that the United States had decided to recognize the Republic of Armenia, the boundaries of which will be defined by the Turkish treaty and had also considered and approved the scheme of breaking up the German ships for distribution among the allies.

Denied at Washington.

Washington, Jan. 26.—The United States has reached no definite conclusions as to the recognition of the republic of Armenia it was stated authoritatively tonight. The relations of the United States toward the Armenian state to be created under the Turkish peace treaty have been under consideration. It was added, but never has a decision been made to accord such recognition as a Paris dispatch tonight quoted Hugh C. Wallace, United States ambassador to France has having announced today to the council of ambassadors. Assertion of Ambassador Wallace to the council that the United States was in accord with the proposal that former German warships be dismantled rather than divided among the allies was said to be merely a restatement of the position taken from the first by the United States. It was largely thru the efforts of the United States that the provision was made in the peace treaty that the vessels be broken up.

The almost complete withdrawal of the United States, etc., as sent.

## WILL PUT FEDERAL AGENTS ON STAND

Called by Counsel for the Assembly at Trial of Five Suspended Socialist Members of New York Legislature.

Albany, N. Y., Jan. 26.—Counsel for the assembly judiciary committee indicated tonight they would put federal agents on the stand when trial of the five suspended socialist assemblymen, charged with disloyalty, is resumed tomorrow.

Before adjournment was taken last Thursday Charles M. Robinson, a department of justice operative who served as a translator for the joint legislative committee investigating radicalism had testified concerning various pamphlets on Bolshevism, published by the Jewish Socialist Federation. Committee counsel who are hopeful of having their case substantially won in this work, the witness went on to cover a mass of documents selecting those which they considered essential to proving their case. These, it was said tonight would contain "sensations."

Seven witnesses already have been heard and exhibits number more than a score, including constitutions of national, state and county socialist organizations, a speech by August Claassen, a defendant; court papers in the case of Scott Nearing and the American Socialist Society and various radical pamphlets.

## LEWIS EXPECTED TO RECOVER

New York, Jan. 26.—"Willis" Lewis, retired pugilist who was shot and severely wounded by two unknown men at his cafe in 14th Street last night was said to be much improved today by physicians at the St. Vincent's hospital where he is a patient. He is expected to recover.

## SENATOR LA FOLLETTE ENTERS MAYO HOSPITAL

Madison, Wis., Jan. 26.—As a result of an infection due to his teeth, Senator R. M. La Follette has gone to Rochester, Minn., to enter the Mayo Brothers hospital. Accompanying the senator was his son, Robert Jr., who is now secretary to his father.

## RECOMMEND FOUR MONTHS TRAINING FOR 16-21 YOUTHS

### Military Provision Approved by Military Committee

### DETAILS OF BILL GIVEN

WASHINGTON, Jan. 26.—By a vote of 9 to 5, the senate military committee today approved provisions providing for compulsory military training for boys between 18 and 21 years inclusive and ordered a favorable report upon the army re-organization bill.

The compulsory military training provision which fixes the training period at four months, was opposed in the committee by Senators Lenroot, Wisconsin, and Capper, Kansas, Republicans, and Senators McKellar of Tennessee, Sheppard of Texas and Kirby of Wyoming, Sutherland, West Virginia, New, Indiana, Frelinghuysen, New Jersey, Knox, Pennsylvania and Spencer, Missouri, Republicans and Chamberlain, Oregon and Thomas, Colorado, Democrats, supported it. Senator McKellar announced that he would submit a minority report in which a number of the senators who opposed the plan are expected to concur.

In addition to establishing compulsory military training, the bill provides for the establishment of one army to be made into a citizens army composed of men who have received the compulsory training, a standing army consisting of 280,000 enlisted men and 180,000 officers and national guard. Specific provisions are made in the bill that the citizens army cannot be called to the colors except in case of a declaration of war. To accommodate the reserve force built up under the system of military training, provision is made in the bill for an annual reduction of five per cent in the enlisted strength of the regular army and two per cent in the number of enlisted officers for the first five years. This will mean, that at the end of five years the regular army will be reduced by 70,000 men and 1,800 commissioned officers, which will greatly decrease the cost of maintaining the military establishment.

The bill also would place all youths who have undergone the four months military training on the reserve list to be subject to two weeks' training annually. Unusually an amendment by Senator Sweeney, Republican of Missouri, dependents of such youths during training would receive an allowance the same as now provided under the war risk insurance act. Establishment of the office of under-secretary of war who would be charged with the solution of the problems involved in the procurement of military supplies is provided, but the committee upon Secretary Baker's recommendations eliminated provisions which would make General Pershing chief of staff in place of General March, the present chief of staff.

The bill if passed as drafted, Senator Wadsworth said, would reduce expenditures for approximately one-half. Estimates for this coming year, he said, are placed at \$1,100,000,000 while the proposed bill would not require more than approximately \$500,000,000 annually.

**PRESENT RATES ORDERED  
TO BE CONTINUED**

Springfield, Ill., Jan. 26.—The present rates of the Quincy Gas, Electric and Heating Company for electric power service were ordered continued indefinitely today by the state public utilities commission. The rates became effective July 23, 1918.

The commission also ordered electric power service rates of the Central Illinois Public Service Company continued in effect indefinitely in 200 small municipalities served by the company.

THE ADD A ROOM PROGRAM.

The building commissioner of Chicago has started a practical plan for increasing the housing space in the big city. While the commissioner realizes the difficulties that face those who contemplate entire new building this year, he believes it is feasible for the owners of thousands of dwellings to add a room or two. So this is the slogan of his present campaign. "Add a room," and his statistics indicate that there are places where with full conformity to the building laws 90,000 rooms can be added.

Secretary of Labor Wilson in many quarters is regarded as extremely radical. So his announcement about the Communist party is the more striking. Mr. Wilson testifies that the principles of the party certainly foster and promote revolution.

The packers seem to have scored in the financial report of Morris & Co. just made public. The profits for the year as disclosed by the report are very much less than for the preceding year. They show net earnings of but an eighth of one per cent on every dollar's worth of business done by this firm of packers in the meat industry and its allied lines.

Gov. Coolidge of Massachusetts makes the definite announcement that he is not a candidate for Republican nomination for president. This means that the governor will take no active steps in the campaign and is not promoting an organization. It of course does not mean that he would be unwilling to have his name submitted as a compromise candidate if there is an auspicious moment at the big convention in Chicago.

State officers of Illinois and the Republican delegation in congress from this state are building up a strong organization in support of Governor Lowden's campaign. Headquarters were opened yesterday in Washington

and newspaper dispatches from the national capital indicates the rapid increase of support. Already some of the eastern papers are referring to the Illinois governor as the leading candidate.

NOW THE CEMENT SHORTAGE.

Another trouble appears upon the horizon of the food roads movement. There is a shortage of cement or at any rate the manufacturers have submitted bids on only enough of a supply for the construction of 600 miles of Illinois roads. The road building program for the year proposes 1,000 miles of road. Residents in some localities are therefore doomed to disappointment unless it can be shown that the manufacturers have larger supplies available than their figures indicate. The next thing someone will be charging that the cement producers are limiting the supply in order to keep up the prices.

SUGGESTS PERMANENT FUEL TRIBUNAL.

D. Garfield, former fuel commissioner in a recent magazine article leaves no doubt as to his opinion of the settlement of the coal strike by the commission plan. Dr. Garfield altho he has often been called a theorist and a man without sufficient experience to deal with the big industrial and economic problems which the coal situation includes has made the wise suggestion that there should be a permanent fuel administration as a consultative advisory tribunal. He believes that thru such a tribunal that there would come a settlement of the differences between operators and miners before a situation as critical as the last one develops. Certain it is that the public should not be left to the operators and miners without some means of protection.

A WORTH WHILE EFFORT TO KANSAS.

The Illinois constitutional convention in considering various proposals with reference to laws and courts, will doubtless read with interest about the new industrial court law in Kansas. A special session of the legislature was called by Gov Allen to consider this measure. It is a law which purports to protect people from strikes in essential industries. Its supporters claim that thru the law workers can find the means for emphasizing their demands without strikes. The fact that both labor and capital opposed this law, which gives the three commissioners special powers in the consideration of industrial differences, leads many people to place high value upon the plan. If the law comes the hoped for relief and protection, Kansas as the pioneer state in passing the measure will have done a great thing for the people of the United States.

THE MINISTERS TALK BACK.

A number of ministers throughout the country object to the burden that Commissioner Roper of the internal revenue department is endeavoring to place on them for assistance in the enforcement of the prohibition act. This difference of opinion opens up the often discussed question of the duty of public officers to enforce the law and the difficulties that they encounter because of the unwillingness of private citizens to assist in such enforcement by making complaint and furnishing evidence.

Some of the ministers have replied to Mr. Roper that it is his duty, not theirs, to enforce the law. Probably some of the ministers feel that there may be a touch of irony in the first sentence of one of the paragraphs of the commissioner's letter which reads as follows: "Your own church members, of course, will give unhesitating adherence to the prohibition laws, but it is necessary that they do more. To co-ordinate and give force and direction to their individual efforts it is strongly urged that a committee on law enforcement be appointed to receive all complaints of violations of the law and to lodge such complaints together with the evidence obtained with the proper authorities."

Rippling Rhymes By Walt Mason

Wheels and Legs.  
My auto's beastly hard to start, and every day it breaks my heart. All frozen are its greasy works, and when it goes it goes with jerks that nearly dislocate

my spine, and throw my false teeth out of line. It takes an hour to get her warm, with all her works in proper form and if I stop her for a while she jerks along another mile; she humps and bucks and throws a fit, until my diaphragm is split. And often, as she jerks along, with half her sparks acting wrong, I vow I'll send her to the block, and use my good fat legs and walk. Ah, then I fully realize that walking is the exercise that braces up old flabby men, and makes their sinews young again. Dame nature gave us legs and feet that we might use them and repeat; and using them brings back the glow of flawless health we used to know, restores the color of our hair, and makes us fit to cope with care. Such thoughts as these my head beguile; but when I've walked "a half a mile," I sadly sigh, "I had enough! The old gas buggy is the stuff for cranks as a bucking bronch, her plugs won't spark, her horn won't honk, her tires are flat, her springs are lame, and still she gets there just the same!"

With the Sick

Stanley H. Wright, of the Peoples Furniture Co., is confined to his home, 215 East Morgan street, by illness. Mr. Wright was taken sick while returning Saturday from a buying trip in Chicago.  
Captain W. A. Kirby is recovering from an illness which has kept him in bed for some days. He is not yet out, but hopes to be soon.  
Mr. and Mrs. W. T. Spires are gradually improving after their severe illness.  
J. A. Long, the east side druggist, is suffering with an illness which keeps him in bed.  
Mrs. G. C. Creamer is very ill at her home, 300 South Fayette street, with bronchitis.  
A. G. Barr of Chicago, who has been ill at a local hospital for several days, is again able to attend to business affairs. Mrs. Barr came from Chicago recently to be with him and is the guest of relatives here.  
Vincent Riley of Maplecrest Sanitarium underwent an anesthetic yesterday to correct injury sustained last some weeks ago. Dr. William E. Shabert of Chicago made an examination of the hip, and reset it, and also found a misplacement of the vertebrae which was corrected.  
Mrs. Allen Jacobs, who has been a patient at Our Savior's hospital for some time, was able to return to her home with her son Sunday afternoon.  
Miss Irene Sandberg of the faculty of the School for the Deaf, is ill with smallpox and is at the institution's isolation hospital on Grand avenue. Miss Sandberg has the disease in a light form. One of her pupils, a boy from White Hall, was taken down with the disease a week ago and it is probable that Miss Sandberg took the infection from him.  
Dr. C. F. O'Connell, who has been ill for several weeks with pneumonia at his home on the college campus, is now steadily gaining strength, but is still confined to his room.  
Mrs. Hannah Worthington has been ill for a number of weeks at the home of her sister, Mrs. A. L. Adams on West College avenue and was accounted in a critical condition yesterday.

CATHOLIC LADIES' AID.  
The Catholic Aid society will not meet with Mrs. Edward Loneragan Wednesday because of sickness in the family. The meeting will be held at the same hour, 3:30 o'clock Wednesday afternoon in Knights of Columbus hall.

NOTED MISSIONARY HERE SUNDAY  
Rev. E. P. Gish, now of Eureka and for some time a successful missionary in China, spent Sunday in the city, the guest of Mrs. S. M. Henderson, 460 South East street.

WINCHESTER

Winchester, Jan. 26.—Funeral services for Mrs. Margaret Lewis were held Monday morning at 11 o'clock at her home four miles southeast of town in charge of Rev. W. B. Morris. Music for the occasion was furnished by Rev. and Mrs. Morris. The flowers were kindly cared for by Miss Belle Kirkpatrick and Miss Eula Clark. The pall bearers were: James O'Brien, Samuel Bailey, James Woodall, Benj. Milligan, Wylie Jackson, and William Carlton. Interment was made at Winchester cemetery.

Visitor From New York.  
Miss Frances Comey of Rochester, New York has been a guest the past few days at the home of Rev. W. B. Morris and family. Miss Comey is field secretary of the Baptist Missionary Training School of Chicago. At the Baptist church Sunday morning Miss Comey gave a very interesting talk on the school. She is a classmate of Miss Winifred Morris, a daughter of the pastor. Miss Comey returned to Chicago Monday evening.

Married at Exeter.  
Miss Fern Quinn, daughter of Mr. and Mrs. J. C. Quinn of Exeter became the bride of Harold Feareyhouse last Wednesday afternoon, the ceremony being performed by Rev. Scott Peak at his residence in Exeter. The bride wore a dress of blue satin with georgette crepe and heaver hat. Following the ceremony the wedding party went to the home of the bride's parents where a sumptuous wedding supper was served. The bride was formerly employed at the School for the Blind in Jacksonville and has made many friends there. The groom is the son of Mr. and Mrs. James Feareyhouse, residing near Winchester. The young people will make their home on a farm near Winchester. Their many friends will extend congratulations and sincere good wishes for a long and happy wedded life.

Gave Shower.  
Mr. and Mrs. Curtis Carey entertained about forty friends last Saturday evening at their home four miles southeast of town in Winchester. The affair was in the nature of a shower for the newlyweds and they received many fine gifts during the evening. The time was most enjoyably spent with games, music and in a social way. Refreshments were served.

Boys Leave For Camp.  
Six Winchester boys left Monday morning for Camp Grant to enter the United States Army. Those who left were: Ed Hicks, Eudiel Howrsk, Edmund Lynn, Charles Angelo, Phillip McDade, and Weston Gregory.

News Notes.  
Mr. and Mrs. William McLaughlin and daughter Anna expect to leave Tuesday morning for St. Louis.  
Miss Nina Anders who has been seriously ill for the past few weeks is reported as slowly improving.  
J. C. Neat is confined to his home on account of illness.  
Miss Kathleen Lucy left Sunday afternoon for her home in St. Louis.  
Coroner Called to Manchester.  
Coroner Thomas Webster was called to the home of Mr. and Mrs. Stone near Manchester Monday by the death of a child, Murray O'Neil Stone, aged 30 days, which occurred at a. m. Monday. The child was found dead in bed. The jury which the coroner empanelled brought in a verdict that the cause of the death was unknown.

GENEROUS GIFT FOR Y. W. C. A. FUND  
Miss Mary Wadsworth, county chairman of the Y. W. C. A. drive, and members of the executive committee were cheered yesterday when they received the first contribution to the fund Morgan county is asked to subscribe. It came as a draft for \$25 from a Jacksonville resident who is spending the winter in California. The actual campaign of solicitation is still several weeks in the future and this generous donation will serve as a nucleus for the general fund. The committee has reason to feel that an excellent beginning has been made.

TRANSFER MADE OF BUSINESS PROPERTY

Haas Electric Company Purchases Property at 215-17 East State Street—Will Occupy it With Part of Company Business.

Another important transfer of business property was made Monday thru the transfer of the two-story brick building, Nos. 215 and 217 East State street to the Haas Electric & Mfg. Co. The building was owned by the Routt College and arrangements for its transfer were made by J. Weir Elliott for the college and R. W. Blucke for the company. The building at present is occupied by Butler's barber shop and Frankenberg, The Tailor. Possession will be given in about thirty days. The Haas Electric company has been established in Jacksonville for several years, occupying a room in the Odd Fellows Temple on East State, in which it is their intention to continue. The rapid growth of their business however made it necessary to find other quarters for a part of their line. In speaking of the purchase Monday, Mr. Blucke stated the new building would be used as an automobile salesroom, their company representing several well known makes, and that they expected to spend between four and five thousand dollars upon the property immediately in order to make it entirely suitable for the purpose intended. Mr. Blucke has been connected with the home office of the Haas company in Springfield, Ill., but will now be located here permanently.

ATTENDED MEMORIAL. Charles A. Rowe has returned from Champaign where he went to attend a memorial service in honor of the late Dr. C. G. Hopkins. A plan is well under way for a memorial to perpetuate the work of Dr. Hopkins. The association will be incorporated with a capital stock of \$250,000 and the purpose will be to carry on the agricultural program Dr. Hopkins founded, so that future generations may benefit the more from his teachings.

# The Carpet Sweeper vs. the Broom

The broom stirs up a cloud of dust—part of which is breathed by the occupants of the room, leaving the rest to settle whence it came—which means MORE work.

The Carpet Sweeper picks up all dust and dirt and deposits them inside the sweeper. This method REDUCES work.

Pushing a broom is drudgery.

Pushing a Carpet Sweeper, healthy exercise.

Its cheaper, too. One good Carpet Sweeper will last several times longer than the brooms that might be purchased with an equal sum.

Open to Students of all Schools, Except Colleges and Universities, Whether Public, Private, Secular or Non-Secular—Winners May be Male or Female, Black or White, or Red or Brown, American Born or Foreign Born.

On April 19 next, a board of judges consisting of Secretary of War Baker, General Peyton C. March and General John J. Pershing, will announce to the awaiting juvenile world the names of three boys or girls who on February 20, 1920, wrote the best essays on the subject: "What are the benefits of an enlistment in the U. S. Army?"

Then on May 5, 1920, these three boys and girls, accompanied by parents or guardians (railroad fares and all expenses paid to Washington and return for both winners and parents), will be presented with medals by Secretary Baker himself.

Gold medal, suitably engraved to the winner of the first prize.

Silver medal, suitably engraved, to the winner of the second prize.

Bronze medal, suitably engraved, to the winner of the third prize.

In addition, three beautiful silver cups, suitably engraved, will be presented to the winners by Secretary Baker to be carried

back home by them as prizes for the schools they attend.

The contest is under the auspices of the War Department but the newspaper, Come Back, the official organ of the Walter Reed Hospital in Washington, asked permission to purchase the prizes. This permission was granted and the school children are really competing for prizes that were provided by maimed and injured soldiers now at Walter Reed Hospital.

There is no age limit in this contest and the little seven year old girl in Santa Barbara, California, has the same chance of winning a prize as has the nine-year old high school boy of Baltimore.

New York state has many times the number of school pupils that Nevada has, yet the chance of producing winners in each of these states is exactly the same.

Essays will be written in the classrooms on Friday, February 20, 1920, from notes if desired.

No essay will be more than four hundred words in length.

Pencil, or pen and ink may be used, but the essay will be written on only one side of the sheet.

Essays will be judged strictly on a basis of (1) originality, (2) expression, (3) sincerity.

Each school will be the judge of its own product. The principal of each school will appoint a board of three judges to select one essay as the entry from his school. He will then forward the entry, not later than February 27, 1920, to the County Superintendent of Schools of that County. The County Superintendent will forward the best essay from his County to the Army Recruiting Officer, Peoria, Illinois, not later than March 6th, 1920.

The District Recruiting Officer will appoint a board of three judges to pass on the essays submitted by the schools of his district. One will be selected as the best and will be forwarded to Washington as the District's entry.

From the entries of the fifty-six districts Secretary Baker and General Pershing and March will select three national winners. These winners may be boys or girls, of any color, of any age.

Ask your father or your brother to tell you something about our new, democratic peace time army. If they do not know write to the nearest recruiting station for literature.

It may mean a free trip to Washington for your mother and you, with a medal for yourself and a beautiful cup for your school and you'll be envied by millions of children. It's the chance of a lifetime!

The Recruiting Officer of the Peoria Recruiting District, will select the best essay from amongst those sent in from the schools in this Recruiting District.

To the winner of the District prize there will be presented a Cup, suitably engraved.

The presentation ceremonies will take place at the school attended by the winner and will be arranged for by the Recruiting Officer, Colonel E. W. Tanner, and the Superintendent of the school attended by the winner of the prize.

This cup will be worth the effort put forth to win it and it will be lasting evidence, not only of the patriotism and literary talent of the winner, but of the superior instruction in composition given by the school, as well.

In addition to receiving the cup, the fortunate boy or girl will also stand an excellent chance of being selected by the Board of Judges in Washington, to make the trip, accompanied by parents or guardians (all expenses paid) to our National Capitol for the purpose of being presented with a Medal by the Secretary of War.

The Peoria Recruiting District does not take a back seat in this or any other contest. We know the quality of our Public Schools, as well as the class of students attending them, and we are out to see that, when the roll is called in Washington, D. C., on the 5th day of May, 1920, it will be a Student from some one of the schools of the Peoria Recruiting District, State of Illinois, who steps up to the Secretary of War and has the honor of having the Secretary pin the Gold Medal upon them, just as General Pershing used to decorate his wonderful soldiers who distinguished themselves.

Remember, that amongst the benefits of an enlistment in the United States Army, are: Self-improvement, mentally and physically; chance to become an expert in almost any trade or profession; travel in this and foreign lands without expense to the soldier; an education in the principles of American Citizenship; a knowledge of what our flag stands for; association with men from all walks of life and from all parts of the country, etc., etc., etc.

"Several McAdoo railroad systems fully equipped with increased rates, scrap iron and engines with extra good whistles; also one lot of Hines-Plumb directors for operating, insures poor service and guarantees any bankruptcy of each system.

"One League of Hallucinations, somewhat battered and almost totally warped and twisted by the red blooded American senate, otherwise as good as Europe wants it; also 14 league points, brand new, never been used.

"A large number of copies of the Versailles treaty, vest pocket editions; also 10,000 explanations of article 10, pamphlet form.

"About 400 quires of fine gill-edge note paper, ideal form for writing notes to the people, otherwise worthless; also 200 quires which can be used only for the writing of diplomatic rhetoric.

"All our interests in the ship George Washington, which could have been used to bring home several thousand brave American soldier boys, but was detained on an aristocratic trip to Europe in the interest of world democracy and humanity; also our quit claim deed to Dr. Monroe's Doctrine.

"One quarter section of automobiles and auto trucks packed to the utmost capacity, guaranteed to have been well cured in the open rain and sunshine for at least six months and never been used.

"One 1912 model platform with the motor (lower the cost of living) removed, otherwise good as new.

"One 1916 model platform with the motor ("he kept us out of war") removed, but otherwise a good one, excelled by none except the "Villa" and the "Shantung."

"One 1920 model platform with the Liberty motor removed, which is substituted by the "Internationalism" motor. This motor gives great ecstatic joy to "the Heart of the World." This machine has been gassed by southern politicians, the tires punctured by the 1918 elections, and the steering gear jammed by careless and reckless driving but otherwise as good as new.

"This sale will be under the management and immediate direction of Aunt Josephine Daniels, who will be on hand with a regiment of "Lame Ducks" who will act as clerks and auctioneers.

"All payments to be made at time of purchase, with November, 1920 election returns. Notes will be taken if approved by "Joe Pat" and the Prussian Bond Collection Agency.

"A demonstration of the high cost of living will be given daily on the grounds.

"The aristocracy will be given two hours' leave of absence daily to play golf."

# STATE FARM PRODUCTS INCREASE IN VALUE

Records Show Rapid Progress Made in Recent Years—Charles T. Hoblit Directs Work.

In the window of the Journal office can be seen a chart showing the farm production of the different institutions farms and also the total production at all of them.

This chart shows that the total production has increased from \$330,034.00 in 1916 to \$831,331.00 in 1919.

Probably the best showing, considering the acreage, was made at the Jacksonville State Hospital. The different farms range in size from 15 acres at Wilmington to 2,395 acres at the Illinois State Penitentiary at Joliet.

The increase in production at all of the institutions speaks for itself as to the efficiency of this department of the institution management under Governor Lowden, and is one of the reasons why state taxes have been reduced during the last two years.

The management of the various institution farms, gardens and dairies is under the direct

charge of Chas. T. Hoblit of Jacksonville, since January 20, 1917. The total amount of land owned at all of the institutions is 11,254 acres.

In addition to this about 800 acres of land was leased at the various institutions, where the acreage was limited. Of the land owned at the Dixon State Colony the state has only been farming 120 acres, the balance being rented out. Arrangements have been made to take this over this year, and the production there should show a great increase from now on.

**Products and Acreage.**  
The value of products for the year 1919 as to the different institutions and the acreage at each are shown by the following figures:

## INDIGESTION

Caused by Acid-Stomach

Millions of people—in fact about 9 out of 10—suffer more or less from indigestion, acute or chronic. Nearly every case is caused by Acid-Stomach.

There are other stomach disorders which are not sure signs of Acid-Stomach—belching, heartburn, bloating after eating, food regurgitating, sour, gassy stomach. There are many elements which, while they do not cause much distress in the stomach itself, are nevertheless, traceable to an acid stomach. Among these are nervousness, listlessness, dizziness of the liver, rheumatism, impoverished blood, weakness, insomnia, melancholia and a long train of physical and mental ills that keep the victims in miserable health year after year.

The right thing to do is to attack the ailments at their source—get rid of the acid-stomach. A wonderful modern remedy called EATONIC now makes it easy to do this.

One of hundreds of thousands of grateful users of EATONIC writes: "I have been troubled with indigestion for about nine years and have spent quite a sum for medicine, but without relief. After using EATONIC for a few days the gas and pain in my bowels disappeared. EATONIC is just the remedy I needed."

We have thousands of letters telling of these marvelous benefits. Try EATONIC and you, too, will be just as enthusiastic in its praise. Your druggist has EATONIC. Get a big 50c box from him today. He will refund your money if you are not satisfied.

Miller's Antiseptic Oil, Known as SNAKE OIL

Positively Relieves Pain in a Few Minutes

Try it right now for Rheumatism, Neuralgia, Lumbago, sore, stiff and swollen joints, pain in the head, back and limbs, corns, bunions, etc. After one application pain usually disappears as if by magic.

A new remedy used internally and externally for coughs, colds, croup, influenza, sore throat, diphtheria, and tonsillitis.

This Oil is conceded to be the most penetrating remedy known. Its prompt and immediate effect in relieving pain is due to the fact that it penetrates to the affected parts at once. As an illustration, pour ten drops on the thickest piece of sole leather and it will penetrate this substance through and through in three minutes.

Accept no substitute. This great oil is golden red color only. Get it at Armstrong & Armstrong Drug Stores.—Adv.

## RHEUMATIC PAINS

Quickly Eased by Penetrating Hamlin's Wizard Oil.

A safe and harmless preparation to relieve the pains of Rheumatism, Sciatica, Lame Back and Lumbago is Hamlin's Wizard Oil. It penetrates quickly, drives out soreness, and limbers up stiff aching joints and muscles.

You will find almost daily uses for it in cases of sudden mishaps or accidents such as sprains, bruises, cuts, burns, bites and stings. Just as reliable, too, for earache, toothache, croup and colic.

Get it from druggists for 30 cents. If not satisfied return the bottle and get your money back.

Ever constipated or have sick headache? Just try Wizard Liver Whips, pleasant little pink pills, 30 cents. Guaranteed.—Adv.

Funeral services for Mrs. Harry P. Obermeyer were held from the residence, 801 West Lafayette avenue at 10 o'clock Monday morning. There was a large gathering of friends and relatives to pay a last tribute of respect to her memory.

The services were in charge of Dr. E. B. Landis pastor of Westminster church, assisted by Dr. Lucas, who is in charge of the Odd Fellows Orphans Home at Lincoln. Dr. Lucas who had known Mrs. Obermeyer since childhood paid a beautiful tribute to her memory. Two solos were given by Miss Ainslie Moore.

The flowers were cared for by Mrs. Fred Ranson, Miss Kathryn McNamara, and Mrs. C. B. Massey.

Burial was in Diamond Grove cemetery the bearers being James Kennedy, Fred Ranson, Russell McConnell, Herman Cohen, E. J. Maxwell and Lawrence Goveia.

**Lazenby.**  
Funeral services for Isaac G. Lazenby were held from the residence, 813 West North street at 2 o'clock Monday afternoon in charge of the Rev. J. O. Kirkpatrick. The residence was completely filled with relatives and friends who had known Mr. Lazenby thru the years and had come to an appreciation of his character.

Mrs. Carl E. Robinson sang with Miss Martha Priest as accompanist.

Burial was in Liberty cemetery the bearers being Joseph Breckon, James Stout, Gus Woltman, John Puchall, Al Leach and F. J. Heint.

# Social Events

**Entertains Friends.**  
Hazel Louise Nunes of White Hall entertained a number of young folks Saturday afternoon in honor of her ninth birthday, at a theater party. Refreshments were served at Peacock Inn. Those composing the party were Hazel Bell Yeck, Patricia Spieth, Martin Day, Margaret Kawling, and Hazel Louise Nunes.

**Gave Pinochle Party.**  
In honor of Huebner's Birthday. Mrs. Walter Hellenenthal entertained a company of friends at a pinochle party recently in honor of her husband's birthday. Progressive pinochle was played, the prizes being won by Mrs. Edgar Boston and George Brown. During the evening dainty refreshments were served.

**Monday Conversation Club Meets With Mrs. Dunlap.**  
The Monday Conversation club met yesterday afternoon with Mrs. M. F. Dunlap on West State street, with a good attendance of members. Miss Neville of I. W. C. had charge of the program, her subject being "Americanization." Miss Neville was assisted by Miss Jeanette Powell, Miss Austin, dean of the Woman's college, and Miss Lydia Barrette. Following the program the hostess served refreshments and a social hour was enjoyed.

**Entertained Friends.**  
Morgan county friends of Mr. and Mrs. Greenleaf who are soon again to become residents of the county will be interested in the following from the Wichita Beacon:

"Mr. and Mrs. Mo Greenleaf of Kingman entertained forty guests from Kingman at the Innes Tea Room and the Wintergarden last night. The party motored to Wichita in the afternoon and returned to Kingman after concluding the night's entertainment with dancing and a supper. The Greenleafs expect to leave Kingman soon to reside in Illinois. Mr. and Mrs. Greenleaf are among the best known residents of Kingman County. Their home for several years has been on the widely known Greenleaf Ranch a few miles east of Kingman."

"A five-course dinner was served at the Innes Tea Room at 6 o'clock, and a supper was served at the Wintergarden Tea Room at midnight. Tables were decorated with carnations and flowers were given the ladies as favors."

**BACK AT WORK.**  
Herbert Lynch is back at work at the Pacific hotel again after an absence of several weeks. He submitted to an operation for the removal of a piece of bone which was pressing on the brain. He has now entirely recovered and is feeling better than ever.

**CLASS WILL MET.**  
Wednesday class will meet this week with Mrs. Carl Black.

# Deaths

**Kellogg.**  
Word has been received of the recent death at Nokomis of the venerable A. W. Kellogg who passed away at the age of 83 years. He was the father of J. F. and Amos Kellogg of this city.

**Jensen.**  
Mrs. George Birkenhead of South Diamond street has received word of the sudden death in Chicago of W. B. Jensen which occurred last Friday. He was for thirty years associated with the American Express Company in Chicago, and was superintendent of the Chicago office at the time of his death. Funeral services and burial were held in Chicago.

**Keirl.**  
Mrs. Samuel Keirl died at her home on the Morton road Sunday afternoon at 4:30 o'clock. She had been in failing health for some time. She with her husband and two sons came from England in 1889 and have resided since that time in and around Jacksonville. She is survived by five children: Charles, William, Sidney, Harry and Nellie. Three sons preceded her in death. The funeral will be held Wednesday from the residence at 10 a. m. in charge of Rev. A. E. Powell of Woodson Presbyterian church and interment will be made in Diamond Grove cemetery.

**BEGIN WORK AT HIGH SCHOOL SITE**  
English Bros., who have the contract for the new high school building recently erected a cement house near the school site and another structure is now being built. It will afford temporary office room. A number of men were engaged yesterday in the work of removing the remaining part of the foundation. Altogether 15 men were at work and the firm is already giving indication of intention to push the big job along with as much rapidity as possible.

**Farmers!**

Since last April 50,000 farmers of Illinois have joined the Illinois Agricultural Association and their county Farm Bureau. It is a wonderful record of farmers organizing. Members are coming in at the rate of 400 a day and 2,000 every week. The 35 counties that have had membership campaigns have an average membership of 1,300. Six counties have a membership of over 2,000.

Farmers are organizing and sticking together. At the rate we are going it will only be a few months until we have an organization of 100,000 farmers in Illinois. In two days the farmers of little Kendall County, with only nine townships, signed up 961 farmers to the F. B. and I. A. A. Four county memberships are going on every month. Ninety-five per cent of the farmers are joining these organizations.

Now it is up to the farmers of Morgan County. We are going to have the chance to show if we are earnest in trying to solve the problems we have been talking about.

Remember the Campaign Starts Next Monday.

**take the grip out of GRIPPE**

Don't let grippie get too hard a grip on your system. Grippe is the result of a simple cold and may easily lead into the more dangerous influenza. A. & A. COLD TABLETS are designed to combat grippie as well as simple colds, and, as a matter of fact, if taken in time will stop a cold before it has a chance to run into something more dangerous. An excellent remedy to have on hand. It has all the action of quinine without the deleterious effects on your head and system and with a slight action on the bowels to remove cold germs from your system at the same time adding constipation. A pretty good remedy to know, and knowing it you will use it. Use it and you will be satisfied with the results.

After the conclusion of the installation service, a social hour was enjoyed and refreshments served.

Mrs. J. C. Andras, Sr., was pleasantly surprised Friday afternoon, when a number of relatives and friends gathered at her home in honor of her sixtieth birthday. The afternoon was spent socially and music was enjoyed. Refreshments were served consisting of brick cream and cake. Those present were: Mrs. J. R. Bleirus, Mrs. C. D. Chapman, Mrs. Perry Alred, Mrs. Belle Potts, Mrs. Ella Curtis, Mrs. G. D. Barnes, Mrs. J. C. Andras, Jr., Mr. and Mrs. E. G. Saye and son, Edwin of Jacksonville, Miss Coverly and Miss Shirley. The occasion was one of great pleasure to all.

Mr. and Mrs. John Thomas returned Thursday from Stuttgart, Ark., where they were called some time ago by the serious illness of their son, Charles Thomas. His condition is improved to such an extent that he is able to be about enroute home. Mr. and Mrs. Thomas visited in St. Louis with their daughters, Mrs. Rose Wells and Mrs. Flora Eagan.

Miss Linnie Blevins went to Springfield Thursday for a brief visit with friends.

Mrs. Marshal of Murrayville spent Friday with her daughter, Mrs. L. A. Mehrhoff.

### LITERBERRY MAN HAS AUTO ACCIDENT

Samuel Lindsay's Car Skidded Saturday Afternoon Near Mauvaisterre Bridge—Mission Circle Has New Books—Other Items.

Literberry, Jan. 26.—Samuel Lindsay was driving to Jacksonville Saturday and had the misfortune to skid off the road, south of the Mauvaisterre Bridge, doing considerable damage to his car, but no injury to himself. Mr. Lindsay was alone.

Mr. and Mrs. John Guy, J. E. Underbrink and family, Mrs. J. A. Litter and Miss Georgia Litter are ill with grip and colds. J. M. Litter visited Mr. and Mrs. Wm. Henderson at their home at Little Indian, on Monday and reports that Mr. Henderson is not very well.

Walter Reeves of south of Jacksonville was driving in Literberry last Wednesday.

Sunday school officers were few on Sunday morning when the roll was called at the Baptist church, all on account of sickness and cold weather. S. H. Crum took charge of the school and taught the invincibles; Mrs. John Daniels superintended the music and with the faithful teachers who were present, there was held a very profitable school. Rev. W. R. Johnson preached a very able sermon on the subject, "Fit for the Masters Use."—Second Timothy 2-21.

J. M. Litter spent Sunday afternoon at Sunshine Cottage.

Mr. and Mrs. Durrell Crum returned Friday morning from St. Louis where they have been visiting for about ten days.

Mrs. Ora Collins is visiting friends in the country near Sinclair.

The Literberry Mission Circle has recently procured twenty new missionary books, making in all a library of sixty books. During the last two months, missionary books have been placed in twelve homes. We have reason to believe the missionary interest is growing.

J. M. Daniels was in the Ebenezer neighborhood Wednesday and visited his uncle Warren Daniels at his home, Sunny View Farm.

HOME FOR A REST. Mr. and Mrs. Ezra Scott are expecting their daughter, Miss Jeannette, home today from Cedar Rapids for a rest. She has been working ardently for years as a deaconess in the blessed work of the Traveler's Protective association, whose prime object is looking after girls who land in the cities without friends to see after them. Miss Scott has been for years in this work and is enthusiastic over it but her health has failed her and she needs a rest. Her sister, Mrs. S. J. Camm, wants to escort her home.

TO HER MOTHER'S FUNERAL. Mrs. A. A. Stein of White Hall was in the city yesterday the guest of her husband's brother, J. G. Stein, of this city. She was on her way to attend the funeral of her mother, Mrs. Mollie, who died recently at the advanced age of 61 years at her home in Petersburg.

**MORE CARS EASES CORN MARKET**

CHICAGO, Jan. 26.—Reports that the car supply in some sections west of here had become more plentiful tended today to ease the corn market. Prices closed heavy at the same as Saturday's finish to 1/4c lower, with May \$1.35 1/4 to \$1.35 3/4, and July \$1.32 1/2 to \$1.32 3/4. Oats closed 1/4c to 1/2c. In provisions the outcome ranged from 25c decline to 5c advance.

At first, cold wave predictions together with a sharp advance in hog values gave the corn market an upward slant. There was a lack of aggressive buying, however, and bears were soon able to force a reaction, largely thru advances that an increase in the movement of railroad cars was evident in Iowa and Nebraska.

Oats were governed by the changes in corn. Most of the trade was local.

In provisions, selling for stock yard interests more than offset hog market upturns. Besides, hard exports showed a falling off.

## NEWS FROM KANSAS.

W. D. McCormick has received a letter from his son, James, now in Kansas. The writer gave an encouraging report of affairs in general out there, though says the wheat crop is about the same as here; rather "thin" on the ground and not very promising. They have had some snow as here but not enough to help the wheat crop very much. James sold some hogs at home for \$14.33 recently.

## HAVING A FINE TIME

Mr. and Mrs. H. B. Kamm, traveling in the east, report a very enjoyable time. Mr. Kamm took in the national retail shoe dealers' association at Boston and then they turned their attention to sight seeing. In New York they enjoyed many of the sights of the great metropolis and then proceeded to Philadelphia where Mr. Kamm had special desire to see John Wannamaker's great Sunday School and was gratified. Like the true gentleman he is, Mr. Wannamaker saw his stranger guests and introduced himself and had a pleasant interview with them. A lady made their acquaintance and took them a lovely automobile ride about the city and showed them many sights in the metropolis of brotherly love.

Mr. Mathis says he has no idea when the wanderers will be at home and adds that they are welcome to stay as long as they choose for Mr. Kamm has been a long time devoted to business and has earned a rest and trip as well.

## CITY COUNCIL HELD REGULAR SESSION

Committee Suggested to Name New Reservoir—Other Routine Business Transacted.

At the regular meeting of the city council held Monday evening Mayor Crabtree suggested the makeup of a committee for the purpose of selecting a name for the new lake.

This was only a suggestion, but it met with the approval of the aldermen and it is probable they will name the committee when the lake and land is turned over to the city by the citizens committee which probably will be in about a month.

Ald. Cain announced the names of a number of appointments on the police force and they were confirmed. Other routine business was transacted by the council before adjournment.

When the clerk called the roll it showed all members present except Aldermen Ehnie, Graft and Williamson. Mayor Crabtree presiding. Ald. Williamson came in during the reading of the minutes and Ald. Ehnie also came in later and took his place in the council.

The minutes of the last regular meeting were read and approved as read.

A communication was read from a citizen which had been received by Mayor Crabtree suggesting a name for the new lake.

Committee to Name Lake. In this connection Mayor Crabtree suggested that the new reservoir has not yet been handed over to the city and no action could be taken toward selecting a name until it is officially turned over by the citizens' committee. The mayor suggested that when the lake was finally turned over to the city, a committee consisting of the President of the Chamber of Commerce, the Chairman of the Citizens' Committee, President of the Board of Education, President of the Woman's Club, President of the Rotary Club and Mayor Rodgers. These are to be supplemented by the selection by the aldermen of one man and one woman for their respective wards which will make a committee of fourteen. The suggestion met with the approval of the aldermen and when the lake is turned over this committee will be named and select the name.

An invitation was received from the mayor of Louisville to send delegates to the Tenth Annual Good Roads Congress to be held in that city soon. The communication was received and placed on file.

A communication was read from C. W. Galligan relative to the switch track at the south end power plant. The letter stated that Mr. Lutz would be here soon to go into the matter fully with the council.

**Permission to Erect Station.** A letter also was read from the state fire marshal relative to the distributing station which the Sinclair Refining Company wishes to build on the Snyder lot. Accompanying was one written by the state fire marshal to the company relative to the manner in which the work would have to be done.

Ald. Chapin seconded by Ald. Ehnie moved the council grant permission to erect the station on the Snyder lot the same to conform to the plans and specifications as laid down by the state fire marshal. On roll call the vote was unanimous.

Claims were ordered paid when the city is in funds.

**Policemen Confirmed.** Ald. Cain presented the names of Frank Kiloran, Chief of Police, Howard Elliott, Night Captain, Mike Casey, day desk sergeant, James Trahey, night desk sergeant, Frank Baker and John McGinnis, day patrolmen, and Earl Williams and Raymond Stewart, night patrolmen. He moved that they be confirmed. The motion was seconded by Ald. Flynn and carried.

Ald. Moore presented an agreement between the cemetery committee and Misses Alice and Maude Smith relative to a lot in Diamond Grove cemetery which was received and placed on file.

Ald. Ehnie called attention to the danger of pedestrians walking in the streets. He suggested that attention should be called to the practice thru the papers and that all persons who walked in the street instead of on the sidewalk carry a lantern or flashlight.

Ald. Flynn asked what had been done about the Brook Trunk sewer and wanted to know what the committee was doing.

Mayor Crabtree said that the engineer who had been in Jacksonville had been called to Champlain, but expected to be here soon to confer with the committee.

There being no further business the council on motion adjourned.

## HANLON WILL BOX IN SPRINGFIELD

Local Man's Opponent for Boardstown Go Next Week Will Meet Allison Tomorrow Night.

That Jimmy Hanlon of Denver will be in the pink of condition when he meets Al Baldwin of this city in Beardstown, February 2nd, is attested by the fact that Hanlon is in fighting trim at the present time and going strong.

Hanlon, possibly Baldwin, and a number of other boxers who did something in the recent world conflict, are to get the call in ring shows staged at Springfield, which city only a week ago revived boxing. Louis T. Hodge, who is said to be the controlling spirit in boxing promotion there, has two A. E. F. battlers on his next card, which will be staged tomorrow night.

Neil Allison, the Waterloo, Iowa, lightweight who was in the service, will be one of the principals in the windup, his opponent being Hanlon. Allison is a former Springfield boy and has a big following there.

The semi-windup enlists the services of another A. E. F. man, his name is L. E. Peterson, and he is a colored chap. Patterson will mix punches with Young Sam Langford of Chicago. Both the windup and the semi-windup are scheduled for ten rounds.

## NOTICE TO BOND BUYERS

Sealed proposals will be received at the office of the undersigned clerk of the Board of Education, Jacksonville, Illinois, up to 7:30 p. m., of Tuesday, February 10th, 1920, for the purchaser of \$220,000 school building bonds of School District No. 117, Morgan County, Illinois, dated December 31, 1919, of \$1,000 each, bearing interest at the rate of 5% per annum, interest payable semi-annually, on the 1st day of July and 31st day of December of each year, at the First National Bank, Chicago, Illinois. Bonds are due and payable \$11,000 December 31, 1920 to 1939 inclusive. Bonds have been prepared and legality approved by C. B. Wood, attorney, Chicago, a copy of whose opinion will be furnished the successful bidder.

## A FINE ENTERPRISE

The palmist well said "Behold how good and how pleasant it is for brethren to dwell together in unity."

For years there have been two branches of the Methodist Episcopal church and several efforts for union so far have proved unavailing. Now it looks as if something might be accomplished as a dispatch from Louisville, Ky., says:

In a church edifice controlled by the same religious organization which sponsored the breach in the Methodist Episcopal church in 1846, dividing the membership into North and South factions, a joint commission of both churches will meet here tomorrow in the endeavor to reunite the two wings.

Bishop W. F. McDowell, Washington, and Bishop Edwin Mouzon, Dallas, Tex., will head the respective groups.

Slavery indirectly caused the breach. Because the wife of Bishop Andrew of Georgia owned a Negro slave girl in 1844, Methodist Episcopal congregations in the North contended the bishop should be removed. Southern branches of the church held he was appointed by a church conference for life and could not be ousted.

Two years later the southern congregations "seceded" and formed the Methodist Episcopal Church South.

## GOOD WEATHER

The typical "oldest inhabitant" is unable to recall such a December and January in succession as this section of the country has enjoyed. Good roads all the time, steady cold and not severe; we have been experiencing what a blessing it will be when our roads are generally improved. Heretofore automobile dealers have been mostly idle during the two months but of late most of them have been busy and have many sales of new cars.

For your daily Bread use Oak Grove Oleomargarine.

## FUNERAL NOTICE.

The funeral services for the late J. R. Taylor will be held this morning at 10:30 o'clock at the Christian church in Chapin.

## SPRINGFIELD RECTOR HEARD WITH INTEREST

Dr. Lester L. Riley Addresses Large Audience at Congregational Church Sunday Evening on "Creative Citizenship."

A deeply interested audience listened Sunday night to another of the excellent numbers of the Community Forum at Congregational church. The speaker was Rev. Lester L. Riley, rector of Trinity Episcopal church at Springfield. His theme was "Creative Citizenship" and he said in part:

The book of Revelation reveals to us the social doctrines of that day and is a compendium of life when it was written. Our age, as all others, has its social problems and we must meet them with open minds willing to receive the truth, be guided by it and endeavor to make things all the time better and happier about us. The one great work of today is pure democracy; a state in which the square deal will prevail, not only for the man of wealth but the toiler as well. We must see that our motives and acts tend to foster this idea and function fully with the great work that should be the one aim of our commonwealth.

Our citizenship is largely possessive; wealth has been the great aim in the past together with social position and distinction. The masses have applauded the man who has gained wealth and fame rather than the one who has lived more for the welfare of his fellowmen. In our lives we are dominated by mass action. We move in droves attracted by a dazzling show of riches, fame and of distinction of any sort; we seek the sensational rather than the worth while.

Because we are so conventional we get as a mass and do not know each other as we should. We should more and more become acquainted with each other, especially the other fellow who has not had the chance we have enjoyed for without this we shall not foster a creative citizenship and properly solve the doctrine of democracy. We do not know enough people; our acquaintanceships and friendships are too narrow; one part of the city more favored has small idea of how another part less favored gets along. If we would solve the problem of democracy we must know much about the other fellow; the one less favored, and strive to bring him out and help him enjoy some of the good things which have been bestowed on us.

In our lives today we are each of us too much catalogued alone and spend our time doing the conventional things. We are timid; afraid to branch out and when we think the world bids us be still we hasten to obey.

The artist sees in a canvass and his paints a noble picture; he sees in a block of marble a grand statue; the author sees in the pen paper an immortal production because they have the creative instinct. To meet our problems we must love our work and undertake it with enthusiasm, and the same as possesses the soul of the artist or author. We work too much by impulse and our expression breaks down when we greet the stern realities which demand faithful and continued action. The community has a soul for expression and the creative instinct and needs saints rather than super-men to accomplish the proper work.

Next Sunday evening, John Lugg will speak on "Some Old Fashioned Things."

## CONSERVATORY NOTES.

The first semester comes to a close this week. Registration days for the second semester fall on Friday and Saturday, January 30 and 31, and the second semester begins next Monday, February 2.

The mid-winter concert will be given on Tuesday evening, February 3. The program will be made up of numbers by the Illinois College chorus and the Conservatory orchestra. Mendelssohn's "Hymn of Praise" will be sung, and Mr. Keep will sing the solos for tenor.

Miss Mabel Forrester sang a solo at the Christian church Sunday, January 25.

Miss Hazel Bell Long has resumed her teaching, after an illness of several weeks.

There will be a special rehearsal of the Illinois College chorus next Thursday evening, January 29 at seven o'clock in recital hall. Phi Omega will hold its next meeting on Thursday evening, February 5, at seven o'clock.

Miss Mary Alexander, a graduate of the conservatory last June, has accepted a position as teacher in a suburb of Chicago, where she will take up her work immediately.

## CHANGE IN MANAGERS

R. F. Thompson has resigned his position as manager of the Woolworth Co. 5 & 10 Cent store in this city. He has not yet fully made up his mind what he will do.

His place has been taken by Adam Jaeger who is promoted to this position from the company's store in Pekin. Quincy is his home and he has a family. He is a very pleasant gentleman and will doubtless find Jacksonville a desirable place for a residence.

Mr. Thompson has made a good many friends during his stay in Jacksonville and wherever his lot is cast they will wish him well.

## Most Yards for Your Money in

A mighty important point to consider in these days of high prices is the extra yardage you get in Caron's Yarns—guaranteed and plainly marked on every ball or skein of Caron's. Why get less than the utmost your money can buy, particularly when Caron's are also the most beautiful of all yarns—softest and most satisfactory in results? Let your next purchase of yarns be Caron's. You owe it to yourself to know their superfine quality.
